UNITED STATES JUDICIAL PANEL  
on  
MULTIDISTRICT LITIGATION

IN RE: NATIONAL PRESCRIPTION OPIATE LITIGATION

MDL No. 2804

TRANSFER ORDER

**Before the Panel:**\* Plaintiffs in thirteen actions and Northern District of Mississippi defendants Tom Bruce Longest, Jr., M.D., and Bruce Family Medical Center move under Panel Rule 7.1 to vacate the orders conditionally transferring their respective actions, which are listed on Schedule A, to MDL No. 2804. Various defendants<sup>1</sup> oppose the motions.

After considering the arguments of counsel, we find these actions involve common questions of fact with the actions previously transferred to MDL No. 2804, and that transfer under 28 U.S.C. § 1407 will serve the convenience of the parties and witnesses and promote the just and efficient conduct of the litigation. Moreover, transfer is warranted for the reasons set forth in our order directing centralization. In that order, we held that the Northern District of Ohio was an appropriate Section 1407 forum for actions sharing factual questions regarding the allegedly improper marketing and distribution of various prescription opiate medications into states, cities, and towns across the country. *See In re Nat'l Prescription Opiate Litig.*, 290 F. Supp.3d 1375, 1378-79 (J.P.M.L. 2017).

Despite some variances among the actions before us, all share a factual core with the MDL actions: the manufacturer and distributor defendants' alleged knowledge of and conduct regarding the diversion of these prescription opiates, as well as the manufacturers' allegedly improper marketing of the drugs. *See id.* These actions therefore fall within the MDL's ambit.

Plaintiffs and the Northern District of Mississippi defendants oppose transfer by principally arguing that federal jurisdiction is lacking over their cases. But opposition to transfer based on a

jurisdictional challenge is insufficient to warrant vacating conditional transfer of factually related cases.<sup>2</sup> Most opponents of transfer also argue that including their actions in this large MDL will cause them inconvenience and delay the progress of their actions. Given the undisputed factual overlap with the MDL proceedings, transfer is justified in order to facilitate the efficient conduct of the litigation as a whole. *See In re Watson Fentanyl Patch Prods. Liab. Litig.*, 883 F. Supp. 2d 1350, 1351-52 (J.P.M.L. 2012) (“[W]e look to the overall convenience of the parties and witnesses, not just those of a single plaintiff or defendant in isolation.”).

IT IS THEREFORE ORDERED that the actions listed on Schedule A are transferred to the Northern District of Ohio and, with the consent of that court, assigned to the Honorable Dan A. Polster for inclusion in the coordinated or consolidated pretrial proceedings.
